

## OUR BUILDING BLOCKS CHALLENGE

This year, our goal is to “Drive Down Debt” by reducing our mortgage debt. Our goal is to raise \$150,000 over and above our tithes to build into the future of our church. Together we believe that we can pave the way now for the next generation to be debt free and not have the financial burdens that would be laid on them with our present mortgage. In 2022 we are inviting you to build into the future of our fellowship and the kingdom of God - in Williamston and around the world.

## HOW TO GIVE

1. Start by praying and asking God what He would have you give beyond your general giving to the budget
2. Complete a pledge card to help us to track our goal of \$150,000
3. When you are ready to give, you can do so through various methods...
  - Designate your gift on a giving envelope that is available at the Welcome Center and place in the offering plate.
  - Go to our website at [williamstonchurch.org](http://williamstonchurch.org) and follow the giving tabs.
  - Stop by our church office – we are here to help in any way possible.

## OUR BUILDING BLOCKS CHALLENGE

# DRIVE DOWN DEBT!

Dear WPMC Family,

2022 is going to be an exciting year for our church. As we journey through our year, we are believing God for great things! We know that Jesus Christ is the foundation of WPMC.

Each of us and the ministries we provide are the "building blocks" that God is using to change lives! These building blocks serve our church, community, and the world!

Recently we began to dream of all the additional ministries we could operate when our mortgage is paid off in full. We invite you to join us in this dream and pursuing the goal of reducing our debt an additional \$150,000 in 2022. Think of all we can do!

To God be the Glory,  
The Building Blocks Team  
& Pastoral Staff

"I can do all things through Christ who strengthens me." – Philippians 4:13

## MULTI-YEAR PLAN

Our hope and vision is that annually we promote a "Building Blocks" challenge with the goal that over the coming years, we plan to be completely debt free and set up the next generation with a building and grounds that will last.

# PROJECT DETAILS

## DEBT REDUCTION

We have an amazing building to worship, pray, study, and fellowship in. We currently pay \$7,209.89 as a monthly mortgage payment on this building scheduled for approximately 23 more years. By raising \$150,000 this year we can reduce our payments by approximately 11 years and \$650,000! As we rise to this goal annually, we can be debt free long before the mortgage is scheduled to be paid off!

## INVESTING IN OUR FUTURE

Our vision is to be **DEBT-FREE! Dream with us** - think of all the outreach ministries we could fund as we tackle debt. Think of all the people we could reach!
